WATERPROOF KINETIC REMOTE WITH BUILT-IN MOTION SENSORS

Take control of the VX55 4WD with the super responsive kinetic remote. The remote lets you drive the cleaner to where you want it, or just have fun! And if you drop it in no worries! It's waterproof.

EXTRA LARGE SUCTION MOUTH AND BRUSHES

The Contact+ brushes and large opening mouth underneath adapt to all kinds of debris for deep cleaning of floor and walls.

PATENTED VORTEX VACUUM TECHNOLOGY

Vortex technology provides powerful and constant cyclonic suction. This allows the Vortex-Pro Robotic Cleaner to capture large debris such as gum nuts, twigs & eucalyptus leaves while not losing suction power, even when the filter canister is full of debris.

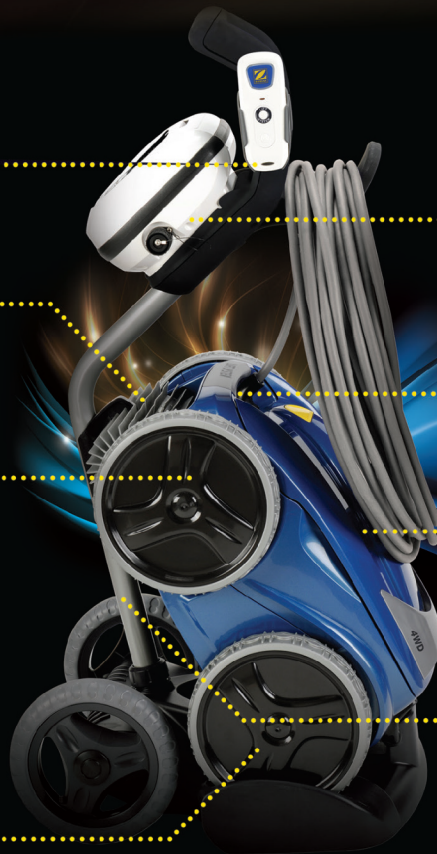

INTELLIGENT CLEANING PATH

Auto steering correction coupled with Zodiac's ActivMotion Sensor® Technology allows the cleaner to manoeuvre itself around the pool ensuring it provides a thorough clean of the floor, walls and waterline of your pool.

VORTEX-PRO 4 WHEEL DRIVE

Thanks to the 4 wheel automatic drive system, the cleaner overcomes obstacles with its amazing climbability ensuring all areas of your pool, such as the floor, steps and waterline are perfectly cleaned.

The Vortex-Pro VX55 4WD is a cut above the rest, engineered to provide the ultimate pool cleaning experience. The VX55 4WD is equipped with the best technology the industry has to offer, making pool cleaning easier, ultra-efficient and fun!

SUITABLE POOLS

- For in-ground pools, all surfaces and shapes.
- Supplied with 21m cable, suitable for pools up to 15M x 7M

DEBRIS

- Picks up large debris such as gum nuts, small twigs, eucalyptus leaves.
- Picks up fine debris such as Sand / Algae >200 microns
- Unsuitable for dust/silt and other particles smaller than 200 micron

eBOX

The eBox makes it easy to operate the cleaner at your finger tip. It allows you to program the cleaner to run each day for up to 7 days when you go on holiday. It indicates when the filter canister is full and also allows you to activate the patented Lift System.

PATENTED LIFT SYSTEM

Makes this the easiest robotic cleaner to remove from your pool: 20% less effort required than competitive offerings.

LARGE FILTER CANISTER EASY TO CLEAN WITH FULL FILTER INDICATOR

Never touch debris again thanks to the easy access and hygienic design of the filter canister. Clean and remove debris in a matter of minutes with minimum fuss.

TRANSPORT STORAGE CADDY

Moving the cleaner about is a breeze with the user-friendly caddy.
